

Spring Hill Baptist Affiliations

Spring Hill is an autonomous congregation whose core values are compassion, collaboration, and commitment. We believe there is great value in partnering with believers worldwide to accomplish God's Kingdom work. The following are some of the ways we partner.

In the Commonwealth, we connect with the [Baptist General Association of Virginia \(BGAV\)](#). Virginia Baptists are a body of believers who go. The BGAV goes, seeking to serve others and to share the love of Christ. The BGAV goes in response to needs around the state, the nation, and the world--from developing partnership missions that spread the gospel in foreign lands to ministering through disaster relief programs in our own backyard. When it's time to go, we can because of the combined giving power of over 1,400 BGAV churches to Cooperative Missions.

The [International Mission Board](#) of the Southern Baptist Convention helps Spring Hill connect with more than 5,000 missionaries around the world. The IMB's main objective is to present the gospel of Jesus Christ in order to lead individuals to a saving faith in Him and to establish church-planting movements among all the peoples of the world.

Baptist World Alliance helps Spring Hill connect with Baptists all over the world. The Baptist World Alliance is a fellowship of 214 Baptist unions and conventions, comprising a membership of more than 34 million baptized believers. This represents a community of approximately 80 million Baptists ministering around the world. The BWA unites Baptists worldwide, leads in evangelism, responds to people in need, and defends human rights.
